RE: Het 2 Sand, Reservoir A, SUQ  
Het 3 Sand, Reservoir A, SUR  
**DARROW FIELD**  
Ascension Parish, Louisiana

Dear Sir:

Application is hereby made on behalf of Jasmine Petroleum to the Commissioner of Conservation for the calling of a public hearing, after legal notice, to consider evidence relative to the issuance of orders pertaining to the following matters relating to the Het 2 Sand, Reservoir A, SUQ and the Het 3 Sand, Reservoir A, SUR, in the Darrow Field, Ascension Parish, Louisiana.

1. To create one additional drilling and production unit for each sand and to force pool and integrate all separately owned tracts, mineral leases and other property interests within the units so created.
2. To designate a unit operator and a unit well for the units so created.
3. To provide that any wells drilled to the Het 2 Sand, Reservoir A, SUQ, or the Het 3 Sand, Reservoir A, SUR, should be exempt from the spacing provisions of Office of Conservation Order Nos. 426-O, 426-P and Statewide Order No. 29-E.
4. To continue in full force and effect all remaining rules and regulations established by Office of Conservation Order No. 426-O for the Het 2 Sand, Reservoir A, and Conservation Order No. 426-P for the Het 3 Sand, Reservoir A, in the Darrow Field, Ascension Parish, Louisiana
5. To provide that the Commissioner may reclassify the Reservoirs by Supplemental Orders and without the necessity of a public hearing should such reclassification be warranted, based on evidence furnished the Commissioner.

6. To discuss any other matters that may be pertinent to this application.

The Het 2 Sand, Reservoir A, in the Darrow Field, Ascension Parish, Louisiana, was fully defined in Office of Conservation No. 426-O, effective April 17, 1968.

The Het 3 Sand, Reservoir A, in the Darrow Field, Ascension Parish, Louisiana, was fully defined in Office of Conservation No. 426-P, effective April 17, 1968.

In addition to furnishing the legal notice to all Interested Parties, the applicant will provide for POSTING of the legal notice of the hearing and unit plats in a prominent place in the area of the Darrow Field, Ascension Parish, Louisiana, and will cause the legal notice of the hearing to be PUBLISHED in a newspaper of general circulation published in the vicinity of the Darrow Field, Ascension Parish, Louisiana, at least fifteen (15) days before the hearing date.

Any pertinent data relating to the subject application can be obtained **AT THE COST OF THE REQUESTING PARTY**, from Leon E. Comeaux & Associates, 305 La Rue France, Lafayette, Louisiana, (337-233-9839).

In compliance with the Rules of Procedure, a preapplication notice was given, but no request for a conference was received, and therefore, none was held.

There are attached hereto and made a part hereof plats outlining the proposed units and a list of the names and addresses of the Interested Owners, Represented Parties, and Interested Parties to whom this application is being sent. Pursuant to the Revised Rules of Procedure, such list of parties and proposed unit plats (being the same plats attached to the April 11, 2002 preapplication notice) are being furnished **ONLY** to the Commissioner of Conservation and to the District Manager of the Lafayette District of the Office of Conservation. However, said plats and the list of parties will be provided to any party requesting copies. A reasonable effort was made to ascertain the names and addresses of all Interested Owners, Represented Parties and Interested Parties.

Finally, there is enclosed our check on behalf of the applicant, Jasmine Petroleum, in the sum of \$1400.00 payable to the Office of Conservation and representing the required hearing application fee.

Sincerely,

LEON E. COMEAUX & ASSOCIATES

David Comeaux
